

## Principal

It's an exciting time to be a Pioneer! Our Lehi roots run deep, and we are fortunate to be part of such a great, supportive community.

There are a lot of great things happening at Lehi High School, and we have highlighted some of them for you in this year's stakeholder's report.

Our teachers and staff continue working hard to help students learn essential knowledge, skills and dispositions in a challenging year. Our rebuild is in the final stages, and we were able to occupy the new auditorium and classroom wing in time for graduation last spring. We look forward to opening the remaining areas in the fall. We express sincere appreciation to our school faculty, staff, and especially to our parents and the community for their patience and support.

# Land Trust Accountability

2019-20 School LAND Trust Report  
Amount Allocated: \$174,706

The use of school LAND Trust money is determined by the Lehi High School Community Council and is based on the School Improvement Plan. (for more information about School Community Council - SCC, visit <https://goo.gl/mcW3SA>),

The 2019-2020 School Improvement Plan focused on raising the achievement level of all students. The areas of focus for the School Improvement Plan were to increase student performance in Math, English and Science, and maintain graduation rate of 93%.

Lehi High used LAND Trust funds to support academic needs in the following ways:

- Funded student advocates and data specialists to monitor student progress.
- Funded math lab class and intervention aides.
- Funded summer collaboration for science and math teachers.
- Funded Intern English teacher to reduce class size.

Teachers at Lehi High continue to work to improve academic performance and growth in all subjects.

Student testing measures will be compared, disseminated, and used to guide decisions with LAND Trust money. With our continued efforts as a School Community Council, LHS has maintained graduation rates, developed teacher learning, and improved student academic performance and student achievement.

*Inspiring a strong community of  
Pioneers to higher levels of learning.*
