INCOME VERIFICATION FOR ALL HOUSEHOLD MEMBERS:

(Required for students who do not qualify based on a special category.)

Household income is determined by adding all household income from all sources and then comparing it to the number of people in the household. A household is a group of related or unrelated individuals who are not residents of an institution or boarding house but who are living as one economic unit. This means they generally reside in the same house and share expenses such as rent, utilities and food.

List all income before deductions in the appropriate column(s).
